		54/988 organonitrogen compound biosynthetic process	
		37/331 amide biosynthetic process	p < 0.001
П		33/218 peptide biosynthetic process	p < 0.01
		7/26 cytoplasmic translation	p < 0.05
		38/322 peptide metabolic process	
		49/561 cellular amide metabolic process	
		47/663 cellular macromolecule biosynthetic process	
	-	72/1436 phosphorus metabolic process	
	-	80/1617 cellular localization	
	[	29/368 protein localization to organelle	
		73/1437 cellular response to stress
