	107/1437 cellular response to stress	
	7/22 protein deacetylation	p < 0.001
	16/98 negative regulation of protein localization	p < 0.01
	26/211 regulation of small GTPase mediated signal transduction	p < 0.05
	18/114 regulation of Rho protein signal transduction	
	113/1272 intracellular signal transduction	
	85/1105 establishment of protein localization	
П	15/96 protein import	
	14/71 import into nucleus	
	40/386 mRNA processing
